

Curriculum Vitae **Marijke Gordijn**

Personal information

Name Gordijn, Margaretha Catharina Maria (Marijke)
Address Het Rocht 65
9481 HJ Vries
The Netherlands
Phone 0592 543703
Cell phone +31 6 47019070
Email marijke.gordijn@chronoatwork.com
Nationality Dutch
Date of birth April 27th, 1961
Marital state Married to B. Haarman since 1985
Children two boys, twins born in September 1999

Education

Date 1973-1979
Organization High School, VWO, Liemers College, Zevenaar, The Netherlands

Date 1979-1987
Organization University of Groningen, Department of Biology
Title of qualification Master of science, *Cum Laude*

Date 1999
Organization University of Groningen, Medical Sciences
Title of qualification PhD, *Cum Laude*
Thesis title *Chronobiology and Depression; Relationships between Mood, Sleep and the Circadian Pacemaker*

Additional courses Course on Laboratory Animal Science, art 9 (1988)
Basic course "Teaching in higher education" (2000)
Radiation Safety Course, level 5B (2003)
Job Career training (2005)

Company

Founder and owner of Chrono@Work B.V. Registered July 18th, 2012.
CEO and senior scientist

Products

- Charge your Brainzzz, educational material on healthy sleep for high school students
 - Translational science projects: contract research
 - Consultancy: Philips Consumer Lifestyle (senior clinical scientist), Groene Ster Duurzaam! (Chronobiological and sleep disturbing consequences of festival noise).
 - Biomarker analyses: melatonin, cortisol 6-sulfatoxymelatonin
 - Workshops, lectures: on sleep and sleep disorders, non-image forming effects of light, shift work, chronotherapy
 - Product development, innovations
-

Scientific Work experience

Date 1986-1987

Name and address of employer Max Planck Institut für Verhaltensphysiologie, Von-der-Tann-Str. 7
82346 Erling-Andechs, Germany
Position Additional master project
Project Title *Time-place learning in Garden Warblers*

Date 1988 – 1992

Name and address of employer University Medical Center Groningen, Department of Psychiatry, P.O. Box
30.001, 9700 RB Groningen, The Netherlands
Position PhD student
Project Title *The role of the circadian system in mood regulation of depressed patients*
Grant Netherlands organization for scientific research (NWO)

Date 1993-1998

Name and address of employer University Medical Center Groningen, Department of Psychiatry, P.O. Box
30.001, 9700 RB Groningen, The Netherlands
Position Scientific Staff member
Project Title *(1) The role of the circadian system in mood regulation of depressed patients;*
(2) Chronicity and Therapyresistance in depressed patients
Grant Ministry of Health, Welfare, and Sports (VWS grant)

Date 1999-2003

Name and address of employer University of Groningen, Department of Behavioural Biology
(Chronobiology), P.O. Box 14, 9750 AA Haren, The Netherlands
Position Postdoc; 1.0 fte; Maternity leave August – December 1999
Parental leave 0.2 fte March 2000 - March 2001
Project Title *Ocular and extra-ocular effects of light on the human circadian system*
Grant Dutch Technology Foundation (STW)

Date November 2003 – July 2005 (guest until February 2006)

Name and address of employer University of Groningen, Department of Behavioural Biology
(Chronobiology), P.O. Box 14, 9750 AA Haren, The Netherlands
Position Postdoc, researcher 3 (UFO); 0.8 fte
Project Title *Pacemaker characteristics in extreme human chronotypes; from genes to
behaviour*
Grant 'BrainTime'; EU 5th Framework Programme

Date October 2005 – April 2006

Name and address of employer University Medical Center Groningen, Department of Psychiatry, P.O. Box
30.001, 9700 RB Groningen, The Netherlands
Position Researcher 2 (CAO-UMC), 0.5 fte
Project Title *A randomized and controlled study on the effects of light with a higher colour
temperature than standard light therapy in the treatment of winter depression.*
Grant Koninklijke Philips BV, Eindhoven/Drachten, The Netherlands

<u>Date</u>	<u>March 2006 – December 2010</u>
Name and address of employer	University of Groningen, Department of Chronobiology, P.O. Box 14, 9750 AA Haren, The Netherlands
Position	Researcher 2 (UFO), 0.8 fte
Project Title	<i>Entrainment of the circadian clock in humans</i>
Grant	'Euclock'; EU 6 th Framework Programme
<u>Date</u>	<u>January 2011 – October 2011</u>
Name and address of employer	University of Groningen, Department of Chronobiology, Centre for Life Sciences, P.O. Box 11103, 9700 CC Groningen, The Netherlands
Position	Researcher 2 (UFO), 0.4 fte
Project Title	<i>Enlighten the night shifts of policemen in Drenthe</i>
Grant	'Police Academy' research program Police & Science
<u>Date</u>	<u>January 2011 – September 2012, continued in Chrono@Work B.V.</u>
Name and address of employer	University of Groningen, Department of Chronobiology, Centre for Life Sciences, P.O. Box 11103, 9700 CC Groningen, The Netherlands
Position	Researcher 2 (UFO), 0.5 fte
Project Title	<i>CAT & GoLate; Effects of short wavelength light in late chronotypes</i>
Grant	Philips Consumer Lifestyle B.V.
<u>Date</u>	<u>October 2012 – December 2013</u>
Name and address of employer	University of Groningen, Department of Chronobiology, Centre for Life Sciences, P.O. Box 11103, 9700 CC Groningen, The Netherlands
Position	Researcher 2 (UFO), 0.4 fte
Project Title	On Time; Light and shift work
Grant	STW
<u>Date</u>	<u>January 2014 - present</u>
Name and address	University of Groningen, Unit of Chronobiology, GELIFES, P.O. Box 11103, 9700 CC Groningen, The Netherlands
Position	Researcher 2 (UFO), guest

Teaching experience

<u>Date</u>	<u>September 2009- December 2013; continued in Chrono@Work.. present</u>
Name and address of employer	University of Groningen, Life Sciences & Biology, A. Deusinglaan 1, 9713 AV Groningen, The Netherlands
Position	Teacher 2 (UFO), 0.1 fte
Course	<i>Mastercourse: Animal & Human experimentation; Design, Practice and Ethics</i>
Task	Set up a course together with two colleagues in 2008. Supervision of ~50 masterstudents per year. In 2018 the course is updated as e-learning and blended classroom format by Chrono@Work.

Other teaching experience

Bachelors	Lectures, seminars and practicals for up to 50 students in courses "Human ethology" and "Chronobiology". Supervising theses and research projects for bachelor students Biology, Life Sciences, Biomedical Sciences and Psychology (9 students since 2012).
Masters	Teaching in mastercourses "Animal & Human experimentation" (50 per year) and in "Timing of Behaviour" (20 per year). Supervising theses,

	colloquia, and research projects of masterstudents of Biology, Life Sciences, Biomedical sciences, Medical Sciences, and BCN (30 students since 2012)
PhD students	Supervising/co-promotor of 6 PhD Students: M. Rüger (2005); A. Zavada (2007); M.C. Giménez (2013); M. van de Werken (2013); M. Geerdink (2017); T. Woelders (foreseen 2018); R. Lok (foreseen 2019).
Post Academic	“International Sleep Medicine Course” (annually since 2007 alternating between Belgium, UK, and the Netherlands); “Slaapcursus der Lage Landen, deel 2 voor ARTSEN” (bi-annual since 2008, Antwerpen, Belgium). “Slaapcursus der Lage Landen, deel 2 voor LABORANTEN” (bi-annual since 2010, Antwerpen, Belgium). CME course SLTBR 2009: Berlin, Germany and 2016 New York, USA. 2012, Edinburgh Sleep Course, Edinburgh, UK. 2015. Several lectures on invitation in clinical settings.

Other professional duties

- **Board functions and scientific committees in national and international societies**

Dutch Society for Sleep-Wake Research 2000 – 2009, 2017 – present Chair Scientific Committee
 Light and Health Research Foundation (SOLG) 2007 – present Member Scientific Committee
 Society for Light Treatment and Biological Rhythms 2008 – 2013, 2018 – present Vice president
 Organization Committee SLAAP 2016 – 2018

- **Subproject leader WP1.1 6th Framework Programme EUCLOCK 2007 - 2011**
- **Advisor Health Council of the Netherlands 2015 – 2016**
- **Committee member Health Council of the Netherlands 2015 - 2017**
- **Co-Founder of Chronotherapy Network Netherlands (CNN)**

Memberships

1990-present	Dutch Society for Sleep-Wake Research
1993-present	Society for Light Treatment and Biological Rhythms
2000-present	European Sleep Research Society
2000-2005	Dutch Society for Behavioral Biology
2009-present	European Biological Rhythm Society

Additional Skills and Competences

Mother tongue	Dutch
Other Languages	English (good); German (reasonable)

Communicative skills Highly experienced in writing and editing newspaper or public magazine articles. Highly experienced in giving radio or TV interviews. Wrote item on 24-hour society for “National Public Health Compass” of the “National Institute of Public Health” (2009). Regularly invited for public lectures. Highly experienced in applied science in collaboration with industries. Business development.

Technical skills Sleep-EEG registration and analysis, Radio-immuno assays, skin- and body temperature analysis, rest-activity analysis, questionnaire based research, cognitive performance tests, clinical interviews for diagnosing and rating depression, writing proposals for Medical Ethical Committee

Grants

1999	Co-author Dutch Technology Foundation (STW)
2002	Co-author 5 th European Framework: Braintime
2005	Co-author 6 th European Framework: Euclock
2006	Philips DAP, Drachten, Wake up Light study k€ 48
2007	SLTBR operating grant (1 st Outside In price) k\$ 20
2010	Police Academy; Police & Science Program k€80
2010	Philips Consumer Lifestyle B.V., Drachten, CAT & GoLite k€ 605
2011	Medilux k€15
2011	Co-author Dutch Technology Foundation (STW), “On Time” project Dynamic Light k€ 485
2012	Janssen Pharmaceutica B.V. Belgium, k€ 70
2013	Co-applicant Intelligent Lighting, Dutch Technology Foundation (STW), Perspectiefronde
2013	Co-applicant UCF, Leeuwarden – Groningen
2015	RUG CvB education innovation grant: Animal & Human experimentation On demand k€30
2016	Brain Foundation; Charge your Brainzzz – educational material High school students on sleep regulation and sleep behaviour k€50
2018	Feasibility study: Sleep in Synch k€25

Invited lectures since 2012

	International	National
2012	5	2
2013	2	6
2014	2	7
2015	1	7
2016	3	7
2017	3	21

Television

- Kruispunt Reportage ploegendienst 22 jan 2012
- Labyrinth VPRO 22 feb 2012
- Unifocus RUG “A power nap during the night shift”. 27 juni 2012
- Noorderzon; Arno’s aperitief 4-08-2012, Groningen
- Hart van Nederland TV, wintertijd 28-10-2012
- KRO/NCRV Katja Schuurman Body Scan–TV programma opnamen 18-12-’13, uitzending 12-03-’15
- WDR Quarks met Jens Hahne 01 – 03 – 2017
- NPO1 AVRO TROS: Dokters van Morgen 17 – 10 – 2017
- NPO1 NOS Journaal 28 – 10 – 2017

Private activities

Leisure time with husband and children, walking the dog, sports (table tennis, swimming), gardening and reading. Currently board member of TTV Vries (table tennis).
